The Whole Ticket. Let no Democrat be induced to stratch a single name on the Democratic ticket. Let us have a fair and square fight with Abolitionism at the next election. If all Democrats will but firmly resolve to do this—and our intelligence from the various townships leads us to believe that they will—we shall elect our entire ticket—every man on it, from the highest to the lowest. The mere fact that certain Republican candidates are laboring to secure Democratic votes, is good evidence that they feel that the Democrats have a majority—Stick to the ticket then, boys,—vote for every man on it. Remember that every candidate on the Republican ticket stands pledged to vote for and is laboring to secure the election of BRINKERHOFF, and thus endorse his negrovoting and nullifying decisions. Remember, the contest in which we are engaged is one between sectionalism and canservatism. Resingle name on the Democratic ticket. Let the contest in which we are engaged is one between sectionalism and canservatism. Remember, that the vote on next Tuesday will decide whether a majority are in favor of Abolitionism. Let us strike a blow together—a blow which will prove the political death of all those who would saddle upon the free-born patriotic people of Ohio, doctrines and men so odious as those new controlling the Republican party and raise aloft the Republican banner.
